

STATE OF TENNESSEE

PROCLAMATION

BY THE GOVERNOR

WHEREAS, the State of Tennessee values public safety and is committed to establishing and enforcing zero-tolerance laws prohibiting driving under the influence; and

WHEREAS, 23 U.S.C. § 161 requires that states enact and enforce “a law that considers an individual under the age of 21 who has a blood alcohol concentration of 0.02 percent or greater while operating a motor vehicle in the State to be driving while intoxicated or driving under the influence of alcohol”; and

WHEREAS, 23 C.F.R. § 1210.4(c) establishes five requirements that a state’s law must include to achieve compliance with 23 U.S.C. § 161; and

WHEREAS, Tennessee has consistently been in compliance with the requirements of 23 U.S.C. § 161 and the regulations promulgated thereunder; and

WHEREAS, Public Chapter No. 1030 was passed by the Tennessee General Assembly in April 2016; and

WHEREAS, Public Chapter No. 1030 amended Tennessee Code Annotated § 55-10-415, relating to driving under the influence; and

WHEREAS, previously, Tennessee Code Annotated § 55-10-415 established the offense of underage driving while impaired for a “person age sixteen (16) or over but under age twenty-one (21)” when that person drives or is in physical control of an automobile or other motor-driven vehicle with a blood alcohol concentration of more than 0.02 percent (0.02%); and

WHEREAS, Public Chapter No. 1030 strengthened the penalties for driving under the influence imposed upon persons eighteen (18) years of age or older, which had the effect of revising Tennessee Code Annotated § 55-10-415 to apply only to persons sixteen (16) years of age or older but less than eighteen (18) years of age such that persons eighteen (18) years of age or older but less than twenty-one (21) years of age are instead subject to Tennessee Code Annotated § 55-10-401, which establishes the offense of driving under the influence applicable to any person with a blood alcohol concentration of 0.08 percent (0.08%) or greater; and

WHEREAS, Public Chapter No. 1030 became effective July 1, 2016; and

WHEREAS, on September 2, 2016, the Governor was advised by the Secretary of the United States Department of Transportation that Tennessee Code Annotated § 55-10-415 no longer meets the requirements of 23 U.S.C. § 161 as a result of Public Chapter No. 1030; and

WHEREAS, the United States Department of Transportation and National Highway Traffic Safety Administration require compliance with 23 U.S.C. § 161 as of October 1, 2016, for purposes of determining the amount of federal-aid highway funding apportioned to each state for federal fiscal year 2017, and if the Department deems Tennessee noncompliant with 23 U.S.C. § 161 as of that date, the Department will withhold eight percent (8%) of Tennessee’s federal-aid highway apportionment, which totals approximately \$60 million dollars for federal fiscal year 2017; and

WHEREAS, if eight percent (8%) of Tennessee’s federal-aid highway apportionment is withheld for federal fiscal year 2017 for failure to comply with 23 U.S.C. § 161 as of October 1, 2016, Tennessee forfeits that apportionment and may not recoup the forfeited amount; and

WHEREAS, because of the October 1, 2016 deadline enforced by the United States Department of Transportation, Tennessee would not be deemed compliant with 23 U.S.C. § 161

WHEREAS, Tennessee does not agree with the determination of the United States Department of Transportation, and Tennessee's Department of Transportation, Governor, Attorney General, federal congressional delegation, and other state officials attempted to resolve the matter with the United States Department of Transportation and sought to find alternative solutions to maintain compliance with 23 U.S.C. § 161 short of calling the extraordinary session to which this proclamation pertains; and

WHEREAS, the Governor believes it is in the best interest of Tennessee to ensure that United States Department of Transportation concludes that the state's laws comply with 23 U.S.C. § 161 and the regulations promulgated thereunder.

- (2) Considering and acting upon legislation to address any other instances of noncompliance or asserted noncompliance with federal statutes and regulations relating to federal-aid highway funding to be apportioned to Tennessee for federal fiscal year 2017;

- (4) Considering and acting upon legislation to make appropriations sufficient to pay the expenses of the extraordinary session of the General Assembly, including the expenses of carrying out any actions taken pursuant to this call.
