

STATE OF TENNESSEE  
**PROCLAMATION**  
BY THE GOVERNOR

**WHEREAS**, pressure injuries, also known as bedsores, impact about 2.5 million people each year, claim the lives of about 60,000 people each year and cost the United States healthcare system about \$11 billion annually; and

**WHEREAS**, prevention will reduce the high incidence of pressure injuries and the substantial pain associated pressure-related injuries that may develop into ulcers; and
