WHEREAS, Global Peer Supporter Celebration Day (GPSCD) occurs annually on the third Thursday in October, and provides an opportunity for peer workers (also known as peer providers) from across the globe to reflect on and celebrate the important role they play in helping those with mental health, addiction, and/or trauma challenges move along the continuum of recovery and inclusion into communities of their choosing; and

WHEREAS, Peer Supporters are trained providers who use lived experience to encourage, engage, and support others with mental health, addiction, and/or trauma challenges, using the recovery model and the principles and values of peer support to provide hope, support, and be a role model of recovery; and

WHEREAS, the belief that recovery is possible for all who experience mental health, addiction, and/or trauma challenges is fundamental to the practice of peer support; and
