

STATE OF TENNESSEE
PROCLAMATION
BY THE GOVERNOR

WHEREAS, the profession of pharmacy is one of the oldest and most trusted health care professions concerned with improving the health and well-being of all people; and

WHEREAS, there are more than 11,000 pharmacists licensed in Tennessee and more than 300,000 pharmacists licensed in the United States providing care and services, and

WHEREAS, an optimal pharmacy team includes pharmacists and pharmacy technicians working together at the top of their professional licensure to ensure that patients have access to safe and effective medication therapies; and

WHEREAS, pharmacists practicing in many unique patient care settings routinely establish professional and collaborative relationships with physicians, nurses, and other essential health care providers to ensure that patients achieve optimal outcomes related to their health and wellness; and

WHEREAS, pharmacist-led patient care services promote the safe and effective use of medications for the prevention, management, and treatment of many acute and chronic conditions and results in decreased overall health care costs and avoidance of more invasive and expensive medical procedures; and

WHEREAS, today's highly specific, complex, and costly medications require more intensive attention and education to ensure their proper use in many different patient population groups-both clinically and demographically; and

WHEREAS, it is important that all patients using prescription and nonprescription medications, including their families and/or their caregivers, are equipped with the knowledge and training necessary to optimize patients' health outcomes from their medication therapies; and

WHEREAS, pharmacists have extensive education and unique expertise regarding medication therapy, which places them in an ideal position to work collaboratively with patients and their health care team members to improve patients' medication use and outcomes; and

WHEREAS, pharmacists provide patients with expertise, knowledge and accessibility to healthcare, which are crucial factors in improving in our nation's public health initiatives and outcomes; and

WHEREAS, pharmacists are highly accessible healthcare professionals establishing trusted patient care relationships and offering immunizations, education, preventive care, and medication management in both rural and metropolitan Tennessee communities;

NOW, THEREFORE, I, Bill Haslam, Governor of the State of Tennessee, do hereby proclaim October, 2018 as

Pharmacists Month

in Tennessee and encourage all citizens to join me in this worthy observance.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the official seal of the State of Tennessee to be affixed at Nashville on this thirtieth day of October, 2018.
