

STATE OF TENNESSEE  
**PROCLAMATION**

BY THE GOVERNOR

**WHEREAS**, annuities provide a safe alternative for individuals who want a predictable way to meet immediate, ongoing, and future financial obligations and objectives; and

**WHEREAS**, surveys consistently indicate that the vast majority of Americans are looking for a financial vehicle that provides the benefits annuities offer, specifically the ability to address the critical concern of running out of money during retirement; and

**WHEREAS**, outliving one's retirement income creates a financial hardship that may require working additional years of employment, reduce the standard of living in retirement, defeat the fulfillment of legacy goals, or require dependence upon family and friends for monetary support; and

**WHEREAS**, research indicates that annuity owners have a higher confidence in their overall retirement readiness; and

**WHEREAS**, because determining what kind of an annuity to buy and when to take income are two of the most important financial decisions consumers will make, individuals and families can benefit greatly from the expert advice of a qualified insurance or financial services professional; and

**NOW, THEREFORE**, I Bill Lee, Governor of the State of Tennessee, do hereby proclaim June 2023 as

*Annuity Awareness Month*

in Tennessee and encourage all citizens to join me in this worthy observance.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the official seal of the State of Tennessee to be affixed at Nashville on this thirty-first day of May 2023.

*Bill Lee*

Governor
